Lewis Wharf and Other North End BRA Projects

Larger projects in the City are managed by the Boston Redevelopment Authority and are governed by the BRA's "Article 80" process. The City Council's extension of the Urban Renewal Zones includes increased City Council oversight of BRA Projects. We will discuss current large projects impacting our neighborhood, the BRA process, and how we hope to be able to impact the process, even in light of the limited role of community input in the Article 80 process.
